PRIMATE SEMINAR

Join us for an exciting, fun filled weekend with monkeys in Geyserville, California **August 27th and 28th**. At this two day event you will learn about primate behavior, health issues, training techniques and much more! This seminar will be taught by animal trainers Kevin Keith and Stephanie Taunton. You will meet several talented monkeys that have performed in feature films, national commercials and live shows.

Get up close & personal with a variety of different primates & learn about their social structure, how they think and how they interact with each other.

Cost for the two day seminar \$300.

Lodging and food accommodations available. For further info call Stephanie at 408-621-0620 or email bowwowprod@aol.com
